General Property Information

This is a one of a kind opportunity located in Teacapan!! This spectacular 4 bedroom and 5 bathroom house sits on 14,526 square feet of property which is a rare find. The layout of this house is very open and has great living space with 2 bedrooms located on the main floor, a kitchen with custom cabinets and a walk-in pantry with storage. There is an enclosed sun room overlooking the bay as well as an over sized garage with over sized doors which is great for all of your "toys!" The back patio features a huge swimming pool and hot tub which has solar panel heating and a salt water chlorination system. Ultra violet water purification has also been installed through out the whole house. Not only is this house a special gem but the sale also comes with 1912 square meters of land located on the beach which includes underground electric & ...
